

Greenford & District Cub Section Report for 2018

In January we had another leader's social to start the year

In February as usual the district cub and scout Swimming Gala 11 packs took part
This was won again by 8G.

In March at the District presentation evening the cub section was again well represented well done to all cubs that came along that night and also to all that achieved there silver award over the year.

Also in March our annual cross country competition 10 packs entered, won by 23W Sunday.

St Georges Day Parade. This is always very well represented by the Cubs packs – well done to everyone on parade.

Last May we held a Quiz night for change 10 packs took part, this was won by 3P.

In June we had the fishing competition arranged by the rotary club.

Also in June we had a district sports day based on the athlete and athlete plus badges,
9 packs entered and was won by 2Nv. Everyone achieved a badge

July – For a change we had a cub district hike which was about 5 miles, a good turn out and a good day only a few complaints of sore feet. Only problem it was a hot day !!

October – was the 6 a side football competition it was a good day 11 packs entered teams.
This was won by 13S

Also in October was the District camp some packs camped with their groups and some visited for the day on Saturday, Good weekend plenty of activities and a large all cubs wide game on Saturday afternoon.

The annual fun competition of grass sledging on Horsenden Hill in November was as always well-attended with no rain this year.

As always at the grass sledging we present our annual trophies, points are gained at each competition throughout the year by the packs taking part.

The Albert Thom trophy for most points this year went to 3rd Perivale with 2nd Northolt Vikings runners up and 2nd Northolt Normans coming 3rd.

Well done and thanks to all cubs that took part in competitions and events last year.

At Christmas we had another district outing to Gulliver's Land this proved very popular with a total of 185 from cub section going. Great day for all, lots of fun on the rides and a visit to Santa at the Christmas wonderland.

My thanks as always to all cub Leaders, assistant Leaders and helpers around the District for the amount of time they give to their packs and for taking part in district events.

Thanks to Peter (1N) and Andi (9G) as DCSL's for their help with events.

Please as I ask each year; try to get your pack represented at the Cub Advisory meetings to have an input on what we plan for the cub section. Your rep at our meetings can be any of your leaders.

Have a good year

Graham Holt
